

PRESENTATION OF STUDENTS

2st Cohort

Field of interest
Seeking Career & objectives

Sabah ALWAN (*)

Australia

Mech Eng.

AMRINA, GradIEAust, IAEng.

- Education: University of Adelaide.
- Field of interest: Experimental Mechanics, Noise & Vibration, Submarine design.
- Seeking Career & objectives: Marine designer or Researcher in the offshore industry.

Romain BAUDSON

Belgium

Civil Engg

- Education: Free Univ. of Brussels, ATM
- Field of interest: Ship Design and Fluids Mechanic
- Seeking Career & objectives: Sailing Boats Designer or Researcher in offshore industry (Wind and Sea Turbines)

Eduardo PÉREZ

BÓDALO

Spain

Naval Architect

- Education: UPCT (Cartagena, Spain)
- Field of interest: Ship design
- Seeking Career & objectives: Ship designer or Researcher in naval engineering

Tawfiq BOUZID

Algeria

Naval Architect

- Education: Univ. of Oran , USTO
- Field of interest: Ship Construction
- Seeking Career & objectives: Classification society or Ship designer.

Rafael CALLAMAND (*)

Colombia

Naval Engg

- Education: Colombia Naval Academy, ENAP
- Field of interest: Ship Production or Ship Hydrodynamics
- Seeking Career & objectives: Ship designer

**Dan Sebastian
CIOAREC**
Romania
Mechanical Engineer

- Education: Univ. of Liege , ECN, UGAL
- Field of interest: Wind turbine; offshore installations
- Seeking Career & objectives: Designer or Researcher in offshore industry

Adrien COMBOURIEU
France
Telecom Engineer

- Education: TELECOM ParisTech
- Field of interest: Yacht Design
- Seeking Career & objectives: design office or shipyard

Bianca CRISTEA
Romania
Naval Engineer

- Education: “Dunarea de Jos” Univ. of Galati
- Field of interest: Ship Structure
- Seeking Career & objectives: Ship structure or Researcher in fluid-structure interaction

Hasan DEEB
Syria
Naval architect; Engg

- Education: Univ. of Oran , USTO
- Field of interest: Ship construction
- Seeking Career & objectives: society of classification or Shipyard

Quang Tan DUONG
Vietnam
Civil Eng

- Education: University of Civil Engineering, Vietnam; National Taiwan University, Taiwan
- Field of interest: Ship Structure Design
- Seeking Career & objectives: Ship designer in Design Office

Antonio GUIMARAES
Brazil
Mechanical Engg

- Education: Federal Univ. of Santa Catarina, UFSC
- Field of interest: Ship Structures and Production
- Seeking Career & objectives: Strong technical formation and preparation for business and management

Daniel HEREDIA
México
Industrial Engg

- Education: ITESM ,
- Field of interest: Ship Design in sailing boats, aerojoules, production systems and simulation
- Seeking Career & objectives: Ship designer, and increase production efficiency

Svilen IVANOV
Bulgaria
Naval Architect

- Education: Univ. of Varna , TU-Varna
- Field of interest: Ship Repair and Inspection
- Seeking Career & objectives: All kind of Ship Surveys and New Repair Technology

Tun Wai LIN
Myanmar
Marine Engineering

- Education: Myanmar Maritime University, EMship Advanced Design
- Work Exp: Total E&P Myanmar (2008-11)
- Field of interest: Ship Design & Structure
- Seeking Career & objectives: Ship designer or Engineer in marine & offshore industry

SAB-Meeting, Brussels the 2nd & 3rd December 2010

Svetlozar NEYKOV
Bulgaria
Naval Architect

- Education: Univ. of Varna, TU-Varna
- Field of interest: Ship Design, Automation and Amphibious boats
- Seeking Career & objectives: Yacht/Ship designer or Researcher in Amphibious/ planning vessels

Carlos PARRA
Chile
Naval Architect

- Education: Univ. Austral of Chile
- Field of interest: FEM & CFD
- Seeking Career & objectives: Offshore design and Technology.

SAB-Meeting, Brussels the 2nd & 3rd December 2010

MELO SANCHEZ (*)
Manuel
Mexico
Mechatronic Eng

- Education: Tec de Monterrey, GUADALAJARA
- Field of interest: Offshore Wind generators or Hydrofoil boats
- Seeking Career & objectives: Design or Production

Francesco SANTO (*)
Italy
Naval Engineer

- Education: Univ. of Naples , Federico II
- Field of interest: Ship design and offshore
- Seeking Career & objectives: Ship designer or Researcher

Shih-Tung (Luke), SHU
Taiwan
Mechanical Engineering
Master degree
(National Cheng Kung Univ., Taiwan)

- Project of rotary blow-molding machine in *ChumPower* Company
- Taiwan-Germany Exchange Scholarship (Exchange student in **TU Munich**)
- Phi Tau Phi Award (NCKU)
- Two conference papers (1st and 3rd Author)
International Conference Mechanism and Machine Science

Field of Interest: **Ship Structure and Production**
Career & Objectives: **Innovative Ship Designer**

Andrey SMOLKO
Russia
Mech Eng

- Education: Bauman Moscow State Tech. Uni.
- Field of interest: Fast processes simulations, hydrodynamics
- Seeking Career & objectives: Researcher in hydrodynamics field

Patrick STYKUC
Poland
Naval Engineer

- Education: Gdansk University of Technology
- Field of interest: Ship Structures, Design
- Seeking Career & objectives: Ship designer or structural engineer

Murat TOSUN
Turkey
Naval Architecture &
Marine Engineering

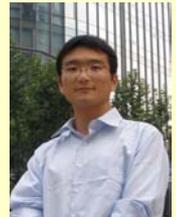

- Education: Yildiz Technical University, IST.
- Field of interest: Ship Design / Offshore
- Seeking Career & objectives: Ship Design / Classification Societies / Maritime Insurance-Consulting

Juncheng WANG 
Mechanical Engineer

Intern experience:

Field of interest: Ship structure & production

Career objectives: Ship design, production and consulting

Jiawei ZOU (*)

China

Marine Technology (Marine
System Engineering)

- *Education*: Marin Teknikk, NTNU, Norway
- *Field of interest*: Ship Design and Structure
- *Seeking Career & objectives*: Ship Designer or Structural Engineer in Marine Industry
